How to make others secretly DO YOUR BIDDING with the astonishing power of

AUTOMATIC MIND COMMAND!

Here's how to get started in just 3 minutes . . .

Dear Friend

New power is about to leap into your life. It's an astonishing way to control the thoughts and actions of others without their knowing it. No matter how much they may not want to, they follow your instructions, they carry them out to a T . . . every time!

With "Automatic Mind-Command" you'll be running the show. Make a wish, turn on The Power and watch those around you drop everything and do what they're told.

And nobody will even have the faintest idea that you're behind it all. That's the beauty of "Automatic Mind-Command"—you are the only one who knows what's going on—you alone decide when things should start . . . stop . . . change around.

CONTROL YOUR FRIENDS OR STRANGERS!

You can use it to control your friends . . . strangers, one at a time or in large numbers . . . any time and ANY WAY YOU LIKE.

For example: You go into a Bank for a loan. The credit man smiles but says "Sorry. You don't qualify for a loan right now. However there's anything else I can do for you, I'd be glad to." Then in a flash you tune changes when you let loose your "Automatic Mind-Command." He continues, "In fact, we'll be glad to give you $1,000 more than you asked for. And any time you want more, just see me personally! Thank you so much for coming in."

Impossible. You'll be doing things like that every day without even thinking about it. As soon as you need something done . . . alone . . . people who do these things for you will remember what they did . . . but not why!

FUN POWER—TOO!

You can have a lot of fun with the power, too. Look how Evelyn C used it at work . . . One day, while sorting papers, her boss absentmindedly asked her to make a most crude and insulting remark. She had to make it, or else . . . and scolded her in front of everybody. Evelyn said nothing, but vowed to herself that she had an appointment with the Automatic Mind-Command.

Suddenly the boss apologized for being a real creep and, "Please . . . I'm sorry," he said, in front of everybody. I'd like to make it up to you. And he told her what a wonderful person she was. When Evelyn turned the power off, the boss just stood there with an open mouth, wondering what made him say all those things.

Think what this power can mean in your life. You need money . . . and it's there! You want some affection . . . you'll be smothered! You want peace and quiet . . . the world stands still.

NO MORE SECRETS WILL BE KEPT FROM YOU!

People who think they can hold back the facts will meet their master in you! Just as the owner of the "Automatic Mind-Command" at left, who they'll sing like meadowlarks . . . Wanda Jones at her wits' end when she tried to find the money she'd put aside to pay the rent—it was gone. A frantic search through the house turned up nothing. There was only one possibility left . . . she asked Billy. A look of surprise crossed his face. No—he hadn't seen any money. But Wanda didn't believe him, and started using "Automatic Mind-Command" to find out if he was telling the truth. Suddenly Billy reached into his pocket and took out a roll of money. After giving her the money, he acted as if nothing had happened.

Think how many secrets must be hidden all around you. Things your spouse won't tell . . . your neighbors won't say . . . your boss keeps quiet about . . . ALL BROUGHT INTO THE OPEN JUST FOR YOU! They'll tell you all their secrets, but they won't know why.

Hold on now, because I haven't told you yet about the best part of "Automatic Mind-Command."

You may have to hold your door to keep people from overwhelming you with love, gifts, favors, rewards! Perfect strangers will be walking up to you and asking, "How are you? Can I do anything for you . . . They will never suspect that "Automatic Mind-Command" is making them like you, please you . . . and automatically want to help you.

INSTANTLY YOUR LIFE IS CHANGED!

At first, I couldn't believe it. And yet I know it can be true from my own personal experience. The night after I first started . . .

A STRANGER HANDS HIM $500. Harry, [illegible] a low-paid factory worker, was just starting a business of his own. And he needed extra cash to get started. So he told me he would give him the money. Harry's wonderful, and he's been a friend of mine for years, and I wanted to help him. But I didn't have the money. I'd just started using "Automatic Mind-Command," and Harry laughingly said he'd get it from someone else. He thought I was joking.

But I wasn't. Not at all . . . things happen every day with "Automatic Mind-Command."

RECEIVES NEEDED CASH QUICKLY!—Mrs. Thelma J reports, "I needed money badly." Her husband hadn't worked in months, and their savings were running out. Then she discovered "Automatic Mind-Command." [illegible] She received a package [illegible] years from friends and relatives . . . never knew existed.

In all this [illegible] to be one of those who do not use the power of "Automatic Mind-Command" . . . suffering, wishing things would change. There is a way to stop wishing and start getting.

HOW TO GET STARTED IN JUST 3 MINUTES!

It's easy . . . Fill out the No-Risk Coupon and mail it today. When you receive a package in the mail, open it. Inside you'll find "Automatic Mind-Command." Take it out, read the simple instructions, and see how easy it is to get started. It won't cost you one penny unless it works.

IN WHAT INSTANT YOU WILL ALREADY BE ABLE TO USE "AUTOMATIC MIND COMMAND" FOR THE FIRST TIME . . . for new love, healing, protection and much more! Imagine the thrill—after a lifetime of "near misses" and permit-punching—to see a tidal wave of cash rolling into your life from every direction—pay raises, bonuses, gifts, legacies . . . a never-ending tide of good fortune!

MAKE AMAZING CASH INVESTMENTS!

And it's all just as easy as that.

Larry S wanted to see his girlfriend. A hunch told him she was in Europe, but he had no idea where she was—and no way to find out. Then he remembered "Automatic Mind-Command." In that instant he knew what she had to do. She did, and when she was doing, entered herself and found her. After [illegible] a friend saw her, ran and called him, explaining that something told her he wanted and needed her and what could she do for him?

Now here's a most fantastic use of "Automatic Mind-Command"—one I'm sure you'll agree proves that here is a power which staggers the imagination.

For example, cases of health symptoms relieved with "Automatic Mind-Command." John C reports that [illegible] normal again!
